Medicare Reimbursement Account (MRA)

FEP Blue Basic® members who pay Medicare Part B premiums can be reimbursed up to **\$800** each year. You must submit proof of Medicare Part B premium payments via the online portal, EZ Receipts app, fax or mail. Upon approval, you will receive reimbursement by direct deposit or check depending on how you set up your account.

Each member of your household with Medicare Part A and Part B (Original Medicare) or Medicare Part C (Medicare Advantage) is eligible to receive this benefit.

The method you choose is up to your personal preference and what you're most comfortable with. Some methods require more processing time, which will impact how quickly you receive your reimbursement. All options require you to submit documents verifying that you paid for a Medicare Part B premium.

Providing proof of premium payment

No matter how you submit your claim form, you must include documents that prove you have paid a Medicare Part B premium.

Examples of proof of payment documents include:

- A Social Security Cost of Living Adjustment (COLA) statement
- A canceled check*
- A copy of your credit card statement*
- A copy of your bank statement*

*If you submit a check, credit card or bank statement, you must also submit a Medicare Part B premium bill that matches the amount paid.

Make sure your documents include the following five pieces of information required by the IRS:

- Date of payment
- Provider name (which is Medicare in this case)
- Detailed description
- Proof of payment
- Name

Submitting your claim online

- 1. First, register for your MRA account online at fepblue.org/mra.**
If you already have an account, log in and skip to step 3.
- 2. To register, you will need to provide your 4-digit ID Code.**
Your ID Code is a combination of your day of birth (DD) and the last two digits of your Social Security Number (SSN). For example, if you were born on the 8th day of the month and the last two digits of your SSN are 12, your ID Code would be 0812.
- 3. After you've registered, you can log in and begin filling out the online claim form and uploading your proof documents.**
- 4. We review most claims within two business days.**
We'll provide your reimbursement once we approve the claim.

Submitting your claim by fax or mail

If you'd prefer to submit your claim by fax or mail, begin by downloading a copy of the claim form at fepblue.org/mra. Make sure you have separate forms for your spouse and/or dependents. Read the instructions carefully before you fill in your information. Make sure you have copies of any papers you need to send with your forms.
